

The Big Knob Grange Fair is an agricultural-based fair in New Sewickley Twp., Beaver County hosted by the Big Knob Grange. The fair offers carnival rides, food trucks, track shows, and games that everyone loves, but what makes it special is the many community-based organizations and projects you'll find at the fair. The fair offers the opportunity for local boosters and clubs to raise money, nonprofits to educate fairgoers about their cause, a food drive for a local food bank, a partnership with New Sewickley Twp Police Dept. to "Stuff a Cruiser" for Toys for Tots, our Big Knob Livestock Club livestock auction, and exhibitor awards & prizes.

The fair is heading into its 82nd year and the momentum is stronger than ever. Big Knob Grange Fair is one of the last free general admission fairs in PA and rests on the generous commitment and support of our area businesses and families through sponsorships and volunteer services.

We hope that you will consider a sponsorship opportunity with us. We thank you in advance for your consideration and hope to see you at the fair!
