A SHOW ARENA will be leased and set up near the barns for the Performance Classes Show. The arena will be 100' x 150'. So, if you are interested in getting a stall space so that you can participate in the Horse Show, call Bryan at 724 777 5838. Only stalled horses may participate in the Show. Meeting of all horse exhibitors at 6:00p.m. Mon. Aug 26 at the horse barn.

HEALTH RULES FOR EQUINES

- 1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2024**, is required.
- All animals must be free of infectious and contagious diseases.
- The Exhibitor's signature on the Livestock Entry Form affirms that a veterinary-client- patient relationship is in place.
- All equine animals must test **negative for EIA (Coggins) by an official test within 12 months prior to the opening date of the exhibition**. Laboratory test results must accompany each animal to its final destination (a copy of the original lab report is acceptable). Foals less than six months of age accompanied by a dam which meets the above requirements are exempt from EIA (Coggins) testing requirements. If the foal is not accompanied by the dam, a copy of the dam's test results must accompany the foal to its final destination.
- 5. A current rabies vaccination** administered by a licensed veterinarian is required for animals three months of age and older. However, if a mare was currently vaccinated against rabies when she foaled, the foal is not required to be vaccinated until six months of age, with a second vaccination administered two to four weeks later. All vaccine label directions must be followed, and all rabies vaccinated equine animals must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. The certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the original rabies vaccination certificate is acceptable.
