## **Partner With Us to Grow Community Impact**

Sponsoring the Big Knob Grange Fair is more than a contribution — it's a high-visibility investment in a growing regional event that draws tens of thousands each year. Your support helps fund essential fair operations, boosts local economic activity, and positions your business as a champion of community development. Together, we create an experience that benefits families, organizations, and the entire county

## **A Tradition Rooted in Community**

The Big Knob Grange Fair is a beloved agricultural event in New Sewickley Township, Beaver County. While visitors enjoy carnival rides, food trucks, track shows, and games, the heart of the fair lies in its community partnerships. Local boosters and clubs raise vital funds, nonprofits share their missions, and community initiatives thrive — including our annual food drive, “Stuff a Cruiser” with the New Sewickley Township Police Department, the Big Knob Livestock Club auction, and exhibitor awards that celebrate local talent. As one of Pennsylvania's last free-admission fairs, we rely on the generosity of sponsors and volunteers to keep this tradition alive and accessible.
